## FOOT GOLF

Hole 1: Start at the post with the soccer ball by the first golf tee. Start by placing a ball on the ground within two large paces of the hole. The hole is behind and to the left of the golf green.

Hole 2: Plays down the left side of the second golf hole.

Hole 3: Hole is behind the low hanging limbs of the live oak about 60 yards away.

Hole 4: Short hole to the right of the putting green.

Hole 5: Hole is below the live oak limbs, left of the golf fairway.

Hole 6: Hole is right off the golf green and tee, near the second hole tee. After finishing, follow the path across the railroad tracks to the seventh tee.

Hole 7: Hole is on the left, down the hill and near the road.

Hole 8: Hole is toward the lake. It is a short walk to follow the path to find the next tee.

Hole 9: Just left of the golf green. Follow the path over the bridge to the next tee.

Hole 10: Hole is on the left, near the large tree.

Hole 11: Hole is over and to the right of the golf green. Watch the water past the hole. Walk up the hill behind the putting green to the next tee.

Hole 12: Hole is on top of the hill in the distance. Stay to the right of the hole, as anything to the left will roll down the hill into the trees.

Hole 13: Hole is down the hill, near the water to the left of the big tree.

Hole 14: Hole is ear the water in front of the golf green. Follow the path under the railroad bridge to the next tee.

Hole 15: Walk up the hill to the flat spot.

Hole 16: Hole is to the left of the golf green, near the electrical box. From the tee you can only see half of the flag.

Hole 17: Hole is on top of the mounds behind the live oak tree. Use the mounds to go around the tree.

Hole 18: Tee is at the golf tee. Hole is on a plateau behind and to the right of the golf green. It is now an easy walk to the parking lot or clubhouse.
