			43+	50			75	43+

2025 Player of the Year runs from the November Harry Neese tournament to the Plainsman in August.

Ties broken by an on-course playoff are considered broken and points awarded accordingly.

Points are combined and split for ties decided by scorecard playoff.

For the Baton Rouge Amateur, points are awarded based on advancing in match play.

For players who don't advance, the points are combined and split. This is the same way PGA Tour FedEx Cup points are handled for tied finishes.
